

**COMPUTER MATCHING AGREEMENT  
BETWEEN  
DEFENSE MANPOWER DATA CENTER, DEPARTMENT OF DEFENSE  
AND  
VETERANS BENEFITS ADMINISTRATION  
DEPARTMENT OF VETERANS AFFAIRS  
FOR RESERVE PAY RECONCILIATION**

Under the provisions of Public Law 100-503, a computer matching agreement shall remain in effect for such period, not to exceed 18 months, as the Data Integrity Boards of the participating agencies determine is appropriate. However, the Data Integrity Boards may renew the agreement for a period not to exceed one additional year if:

1. Such program will be conducted without any change; and
2. Each party to the agreement certifies to the Boards in writing that the program has been conducted in compliance with the agreement.

This is a one-year renewal of the computer matching agreement between the Department of Veterans Affairs (VA), Veterans Benefits Administration (VBA) (the recipient agency) and the Department of Defense (DoD) (the source agency), signed by the respective Data Integrity Boards on June 4, 2018 and August 7, 2018, respectively. VA makes a determination of which individuals are being paid by DoD/U.S. Coast Guard (USCG) for duty performed and are being paid VA disability compensation or pension benefit, and makes award adjustments accordingly.

The following match meets the conditions for renewal:

**I. Parties to Match:**

Recipient Agency: VA/VBA  
Source Agency: DoD/DMDC

**II. Purpose of the Agreement:**

The purpose is to verify eligibility for DoD/USCG members of the Reserve forces who receive VA disability compensation or pension to receive, in lieu and upon election, military pay and allowances when performing reserve duty through a computer matching program.

**III. Final effective date of Match**

May 12, 2020

**IV. Non-substantive Changes**

Not Applicable

**V. Agency Certification:**

As designated representatives of the agencies shown above, we certify that the subject matching program has been conducted in compliance with the existing computer matching agreement between the parties, and we also agree to conduct the matching program without change for one additional year, subject to the approval of the respective Data Integrity Boards.
