The Honorable Neomi Rao  
Administrator, Office of Information and Regulatory Affairs  
725 17th Street NW  
Washington, D.C. 20503

Dear Ms. Rao:

Any inquiries or comments regarding this report may be addressed to Ms. Cindy L. Allard, Executive Secretary, Defense Data Integrity Board, 4800 Mark Center Drive, ATTN: DPCLTD, Mailbox #24, Alexandria, VA 22350-1700; by email at cindy.lallard.civ@mail.mil; or by phone at (703) 571-0070.

Sincerely,

[Signature]

Joo Y. Chung  
Chair, Defense Data Integrity Board

Enclosure:  
As stated
In accordance with the reporting requirements established in the Privacy Act of 1974, as amended by the Computer Matching and Privacy Protection Act of 1988, and Office of Management and Budget Circular No. A-108, “Federal Agency Responsibilities for Review, Reporting, and Publication under the Privacy Act,” dated December 23, 2016, the following is provided:

a. Current information about the composition of the Data Integrity Board, including:

   (1) a list of the names and positions of the members of the Data Integrity Board;

   (2) the name and contact information of the Data Integrity Board’s secretary; and

   (3) any changes in membership or structure of the Data Integrity Board that occurred during the year.

   No changes in the membership or structure of the Data Integrity Board occurred in 2018. See Attachment A for the names and positions of the members of the Data Integrity Board and the name and contact information on the Data Integrity Board’s secretary.

b. A list of each matching program in which the agency participated during the year. For each matching program, the report shall include:

   (1) A brief description of the matching program, including the names of all participating Federal and non-Federal agencies;

       See Attachment B.

   (2) The links to the matching notices and matching agreements posted on the agency’s website at:

       http://dpcld.defense.gov/privacy/matching-agreements

   (3) An account of whether the agency has fully adhered to the terms of the matching agreement.

       The DoD periodically reviewed the agreements to ensure full compliance and to determine whether a renewal or re-establishment was necessary.

   (4) An account of whether all disclosures of agency records for use in the matching program continue to be justified.

       The DoD carefully reviews each matching agreement upon establishment and
renewal to help ensure only disclosures necessary to the matching agreement occur. For all external disclosures, DoD ensures appropriate routine uses are in place and maintains an accurate method for accounting of disclosures.

(5) An indication of whether a cost-benefit analysis was performed, the results of the cost-benefit analysis, and an explanation of why the agency proceeded with any matching program for which the results of the cost-benefit analysis did not demonstrate that the program is likely to be cost effective.

A cost benefit analysis was performed for seven of the eight matching programs. Of the seven, all were favorable or resulted in a conclusion that the match was justified. See Attachment B.

c. For each matching program for which the Data Integrity Board waived the requirement for a cost-benefit analysis, the reasons for the waiver.

The cost benefit analysis was waived for one of the eight matching agreements.

The matching agreement with the United States Postal Service (USPS) titled “TRICARE Reserve Select FEHB Eligibility Verification” was waived. The purpose of this agreement is to verify eligibility of Service members enrolling or enrolled in the TRICARE Reserve Select or the TRICARE Retired Reserve Programs. By statute, such coverage may be provided if the person is not eligible for the Federal Employees Health Benefits Program (FEHB). FEHB Program eligibility can only be obtained from USPS, and without this information, a determination of continued eligibility cannot be made. Matching must occur regardless of the associated cost or anticipated benefits. Accordingly, the cost benefit is waived.

d. A description of any matching agreement that the Data Integrity Board disapproved and the reasons for the disapproval.

None.

e. A description of any violations of matching agreements that have been alleged or identified, and a discussion of any action taken in response.

None.
