The Honorable Howard Shelanski  
Administrator, Office of Information and Regulatory Affairs  
Office of Management and Budget  
725 17th Street, NW  
Washington, DC 20503

Dear Mr. Shelanski:

Any inquiries or comments regarding this report may be addressed to Mr. Samuel Jenkins, Executive Secretary, Defense Data Integrity Board, 241 18th Street South, Suite 101, Arlington, VA 22202-3405, at samuel.p.jenkins.civ@mail.mil or (703) 571-0070.

Sincerely,

Michael L. Rhodes  
Chair, Defense Data Integrity Board

Enclosure:  
As stated
1. A listing of the names and positions of the members of the Data Integrity Board and showing the name of the Board Secretary, his or her agency mailing address, and telephone number. Also show and explain any changes in membership or structure occurring during the reporting years (Attachment A).

2. A listing of each matching program, by title and purpose, in which the agency participated during the reporting years. This listing shows the names of participant agencies, gives a brief description of the program, and a page citation and the date of the Federal Register notice describing the program (Attachment B).

3. For each matching program, an indication of whether the cost/benefit analysis performed resulted in a favorable ratio. The Data Integrity Board should explain why the agency proceeded with any matching program for which an unfavorable ratio was reached.

All cost benefit analyses resulted in a favorable ratio.

4. For each program for which the Board waived a cost/benefit analysis, the reasons for the waiver and the results of the match, if tabulated.

Matches where the Matching Agency was the Department of Health and Human Services (HHS); the purpose of the matching programs is to verify the eligibility of DoD Medicare eligible persons to receive DoD medical (i.e., TRICARE) benefits. By law, such benefits may only be provided if the person is eligible for Medicare Part A and is enrolled in Medicare Part B. Because Medicare information can only be obtained from HHS, matching must occur irrespective of the associated costs or anticipated benefits if DoD is to make eligibility determinations as mandated by Congress.

5. A description of any matching agreement the Board rejected and an explanation of the rejection.

None.
6. A listing of violations of matching agreements that have been alleged or identified, and a discussion of any action taken.

None.

7. A discussion of any litigation involving the agency’s participation in any matching program.

None.

8. For any litigation based on allegations of inaccurate records, an explanation of the steps the agency used to ensure the integrity of its data as well as the verification process it used in the matching program, including an assessment of the adequacy of each.

None.
