The Honorable Howard Shelanski  
Administrator, Office of Information and Regulatory Affairs  
Office of Management and Budget  
725 17th Street, NW  
Washington, DC 20503

Dear Mr. Shelanski:

Any inquiries or comments regarding this report may be addressed to Ms. Cindy Allard, Executive Secretary, Defense Data Integrity Board, 4800 Mark Center Drive, ATTN: DPCLTD, Mailbox #24, Alexandria, VA 22350-1700; by email: cindy.l.allard.civ@mail.mil; or (703) 571-0070.

Sincerely,

[Signature]

Joo Y. Chung  
Chair, Defense Data Integrity Board

Enclosure:
As stated
In accordance with the reporting requirements established in paragraph 4.b. of Appendix I to the Office of Management and Budget Circular A-130, “Federal Agency Responsibilities for Maintaining Records About Individuals,” dated November 28, 2000, the following is provided:

1. A listing of the names and positions of the members of the Defense Data Integrity Board and showing the name of the Board Secretary, his or her agency mailing address, and telephone number. Also show and explain any changes in membership or structure that occurred during the reporting years.

See response at Attachment A

2. A listing of each matching program, by title and purpose, in which the agency participated during the reporting years. This listing shows the names of participant agencies, gives a brief description of the program, and a page citation and the date of the Federal Register notice describing the program.

See response at Attachment B

The matching agreements identified below expired during this reporting period. Action was taken to suspend the matching program until a new 18-month agreement is approved by each agency Data Integrity Board.

United States Postal Service, TRICARE Reserve Select FEHB Eligibility Verification
Veterans Administration, Reserve Pay Reconciliation
Office of Personnel Management, TRICARE Reserve Select and TRICARE Reserve Retired

3. For each matching program, an indication of whether the cost/benefit analysis performed resulted in a favorable ratio. The Data Integrity Board should explain why the agency proceeded with any matching program for which an unfavorable ratio was reached.

The majority of the cost benefit analysis resulted in a favorable ratio.

4. For each program for which the Board waived a cost/benefit analysis, the reasons for the waiver and the results of the match, if tabulated.

The cost benefit analysis was waived for matching programs that included the Department of Health and Human Services (HHS), the United States Postal Services (USPS), and the Office of Personnel Management (OPM) which were for the purpose of verifying eligibility of DoD benefits. By law, such benefits may only be provided if the person is eligible. The cost benefit analysis for USPS and OPM was also waived, since matching must occur regardless of the associated cost or anticipated benefits. These matches are for the purpose of determining Federal Employee Health Benefits (FEHB) eligibility.
5. A description of any matching agreement the Board rejected and an explanation of the rejection.

None.

6. A listing of violations of matching agreements that have been alleged or identified, and a discussion of any action taken.

None.

7. A discussion of any litigation involving the agency's participation in any matching program.

None.

8. For any litigation based on allegations of inaccurate records, an explanation of the steps the agency used to ensure the integrity of its data as well as the verification process it used in the matching program, including an assessment of the adequacy of each.

None.
